

2019 Environmental Measurement Symposium

Exhibitor Prospectus

"Emerging Environmental Issues"

Jacksonville, FL
August 5 - 9, 2019

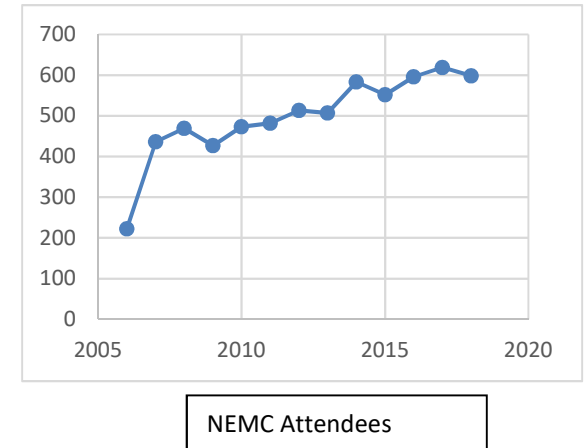

The Environmental Measurement Symposium – 2019

Sponsorship and Exhibit Information

The NELAC Institute (TNI) and the United States Environmental Protection Agency (US EPA) are co-sponsors of the Environmental Measurement Symposium, the largest conference focused on environmental measurements in North America. The Symposium brings together scientists and managers from federal and state agencies, the regulated community, academia, and laboratory and engineering support communities. It features presentations, posters, training, exhibits, and networking opportunities. The Symposium was created in 2007 by combining the National Environmental Monitoring Conference (NEMC) with the Forum on Environmental Accreditation.

The 2019 Environmental Measurement Symposium is at the Hyatt Regency in Jacksonville, FL. We have an extraordinary program planned around the theme of “Emerging Environmental Issues.” The exhibit program begins with a reception on Monday and concludes following the break on Wednesday afternoon.

In 2019, we are offering several options:

- Lunch sponsorship opportunities on Wednesday where you provide information about a topic of your choosing for 50 individuals.
- An opportunity to have a PowerPoint ad visible at general sessions.
- An opportunity to purchase a one-day registration for customers in the local area.

Registration for the 2019 Symposium will open on Monday, November 5, 2018 at 7:00 am EST. Those events with limited availability will be processed in the order received.

Why Exhibit?

- Support the efforts of the Symposium to bring innovative ideas to the environmental monitoring community.
- Raise the profile of your organization and the work you do!
- Take advantage of networking opportunities with decision-makers, government and industry leaders, and researchers.
- Develop direct client relationships.
- Develop new prospects.

What Our Exhibitors Have Said

NEMC is one of the most important conference we attend every year. We connect with existing customers, find new prospective customers and learn about upcoming changes to regulations. The NEMC team make this an extremely enjoyable and easy conference to attend. They go above and beyond to help you be successful at the conference! *Rachel Timmerman, SEAL Analytical*

Dexsil has appreciated the opportunity of exhibiting at the EMS conference every year. The open and friendly atmosphere of the exhibit hall is conducive to catching up with long-time customers, and for introducing ourselves and our product line to prospective ones. *Cathy Kopylec, Dexsil Corporation*

QEC always looks forward to exhibiting at EMS. This event is very well attended by the leaders from our industry and fully supported by the events' organizers. It is an invaluable to learn and share ideas & information with friends and colleagues who are every bit as dedicated as we are to the highest possible standards for the environmental testing industry. *Michael McCune, QEC*

Exhibition Schedule:

Monday, August 5, 2019	5:30 pm to 7:00 pm	Reception
Tuesday, August 6, 2019	7:30 am to 8:15 am	Breakfast
	10:00 am to 10:30 am	Morning Break

2019 Environmental Measurement Symposium

Exhibitor Terms and Conditions

These contract provisions exist to ensure that all exhibitors are given an equal opportunity to present their products and/or services to the Symposium in an effective manner. Exhibit space is made available by the Symposium for the exclusive purpose of imparting useful information to its professional attendees about the available products and services in their respective fields of interest. Any exceptions or alterations to the restrictions and boundaries described herein must meet with the approval of the Symposium Steering Committee and must be submitted in writing by June 15, 2019.

1. **CONTRACT FOR SPACE.** By submitting an Application and Exhibit Contract (Contract), the Exhibitor agrees to abide by the terms and conditions of this Contract. Acceptance of an Exhibitor's application does not imply endorsement by the Symposium Steering Committee, the US Environmental Protection Agency or The NELAC Institute of the applicant's products or services, nor does rejection imply lack of merit of the product, service or company. The Symposium Steering Committee has the sole right to determine eligibility of any company, product or service for inclusion in the exhibit program and retains the right to cancel the Contract anytime if the exhibit is deemed to be contrary to the best interests of the Symposium.

2. **SPACE ASSIGNMENT.** Exhibit space will be assigned according to the order in which payment is received from exhibitors. Exhibit space will not be held or reserved until payment is received. Payment for exhibit space must be made no later than July 8, 2019.

3. **EXHIBIT SPACE.** The Symposium will supply a 3 foot by 6 foot table that can be used for display purposes and two chairs. Adequate space next to this table can allow for the use of a banner stand or similar display. **Ten foot pop-up booths are not allowed.** (Exceptions to this policy are allowed for those exhibitors that have 2 or more spaces.)

4. **USE OF EXHIBIT SPACE.** The purpose of the exhibit program is to inform and educate Symposium attendees regarding characteristics and uses of the products and services of the organizations who are exhibiting.

5. **CANCELLATION.** Exhibitor agrees that the Symposium will sustain certain losses if Exhibitor cancels this Contract after Exhibitor has been assigned exhibit space. Because of the difficulty of determining and proving such losses, Exhibitor agrees to pay the amounts set forth below as liquidated damages and not as a penalty in the event Exhibitor cancels all or part of its exhibit space. Exhibitors who cancel will be refunded their payment(s) according to the following schedule:

Cancellation prior to June 1, 2019 – Full refund.

Cancellation between June 2 and July 8, 2019 – 50% refund.

Cancellation after July 8, 2019 – No refund.

6. **PROPER ATTIRE AND CONDUCT.** Exhibitor's representatives' manner or appearance and dress must be such as not to offend even the most critical attendee. Any breach of this rule may result in Exhibitor being removed from the Symposium. If the Symposium Steering Committee decides an Exhibitor is engaged in any activities or is displaying any goods or services contrary to the best interests of the Symposium, the Symposium Steering Committee may, in its absolute discretion, rearrange or remove such goods or services or cancel entirely any allocation of space, without liability for refund and without liability for any other damages caused by such action.

The Symposium is the owner of certain logos, trademarks, and intellectual property (the "Marks") including but not limited to the names "Environmental Measurement Symposium", "National Environmental Monitoring Conference" and "Forum on Environmental Accreditation" and their associated logos. Exhibitor may not use any of the Marks without the prior written consent of the Symposium Steering Committee. If an Exhibitor wishes to use any of the Marks on its advertising or other materials, the Exhibitor will first submit a copy of the proposed material for review and approval by Symposium Steering Committee.

Exhibitor is required to maintain its booth so as to be clean and presentable at all times. All supplies, handouts, literature and samples must be confined to the booth space and not behind it. Packing crates and boxes are not permitted in booths during show hours. Exhibitor may not serve or provide food or alcoholic beverages in its exhibit space without the prior written consent of the Symposium Steering Committee. This provision is not intended to restrict the free distribution of small quantities of pre-packaged food items such as candies.

The times of the exhibit are the only times that public and sales activities can be provided during the week of the conference. Exhibitors and sponsors may display only informational literature, product samples and/or related materials (such as small promotional items) at their own booth. Vendors and other individuals who have not purchased booth space or sponsorship may not distribute their literature or goods at the meeting. Any activity within the exhibits must conform to the professional nature and character of the symposium. The Steering Committee reserves the right to prohibit and require immediate cessation of any activity or distribution, which does not conform. To avoid any problems, the Steering Committee will provide advance approval of activities and items upon request of an Exhibitor. Canvassing or distributing advertising matter outside the exhibitor's own space is not permitted. Contests, lotteries, raffles or giveaways are highly discouraged and must have the express written and personal consent of the Steering Committee.

7. **CONFLICTING MEETINGS AND SOCIAL ACTIVITIES.** The Steering Committee ensures that a number of venues exist for vendors to promote their organization through sponsorship of various events and activities held in conjunction with the Symposium. These organized events are announced in an Exhibitor Prospectus and are available to any organization. In the interest of the success of the entire conference, the Exhibitor agrees not to extend invitations, call meetings, or otherwise encourage the absence of attendees from the Symposium during official hours.

Vendors may choose to host their own event, not in conjunction with the Symposium. However, any such event held at the host hotel for the Symposium must be approved by the Steering Committee. Such approval is not needed for events held in other locations; however, the Steering Committee would prefer to partner with any such organization to ensure minimal disruption to organized events of the Symposium

If a vendor decides to promote some activity and would like the activity to be mentioned in official documents (printed and electronic) developed for the Symposium, the activity must be approved by the Steering Committee.

The Steering Committee will not support any vendor sponsored event that promotes a vendor product and that involves required attendance by all attendees (e.g., a vendor-sponsored luncheon).

8. **RESTRICTION OF ACTIVITIES.** All exhibitors' activities must be confined to the contracted exhibit space. No solicitation or distribution of materials outside of exhibit space will be allowed without written permission from the Symposium Steering Committee.

9. **ATTENDEES.** On or around July 16, 2019, TNI will provide each exhibit coordinator with a list of all registered attendees, including those included as exhibitors. TNI expects each organization to review the list of attendees from their organization and provide any corrections by July 23, 2019. TNI's personal data protection policy allows attendees to uncheck a box informing them that TNI plans to make their contact information available to registered attendees. TNI will identify any individual who unchecked this box and expects vendors registered as exhibitors to honor this request.
